Outrageous

Kennedy is well known for its OUTRAGEOUS spirit. We the students should be proud of this because we're the ones that give JFK its spirit. From the crowd cheering in the stands, "we are Kennedy couldn't be prouder," to the players toughing it out on the field, you can feel the radiance of spirit.

You see the spirit of friendship with people laughing and smiling as you walk around campus. Even the faculty show some spirit with a Hi and a smile.

Once a year during spirit week everyone gets a little wild and outrageous as they dress in green and gold and play some of the crazy games during lunch.

Yes, we the body and soul of JFK should be proud of our OUTRAGEOUS spirit.

Outrageous

As Halloween rolled around, the Kennedy campus was filled with outrageous imagination. Spotted hanging around campus was everything from Porky Pig to the Chipmunks (Alvin, Simon and Theodore) and our Favorite Bob's Big Boy. Don Johnson and Freddy Kruger were among the many hidden faces. Ya! We had the scary ghouls too. With the best dressed contest and the spirit of the day, Halloween turned out to be an outrageous event.

A.S.B.

The 1986-87 Student Council, led by President Jeff Howe, had an extraordinary year. Under the guidance of the new Activities Director, Robert Maib, the ASB organized many successful activities such as Homecoming, Spirit week, the Winter Formal, and Irish week. Inspired by the ideas they brought home from summer leadership camp at VCSB, the Student Council worked diligently.

The 1986-1987 A.S.B. cabinet consisted of: Andy Reyes, Mr. Robert Maib (activities director), Jeff Howe, Ahritta Kim, Deena Masumiya.

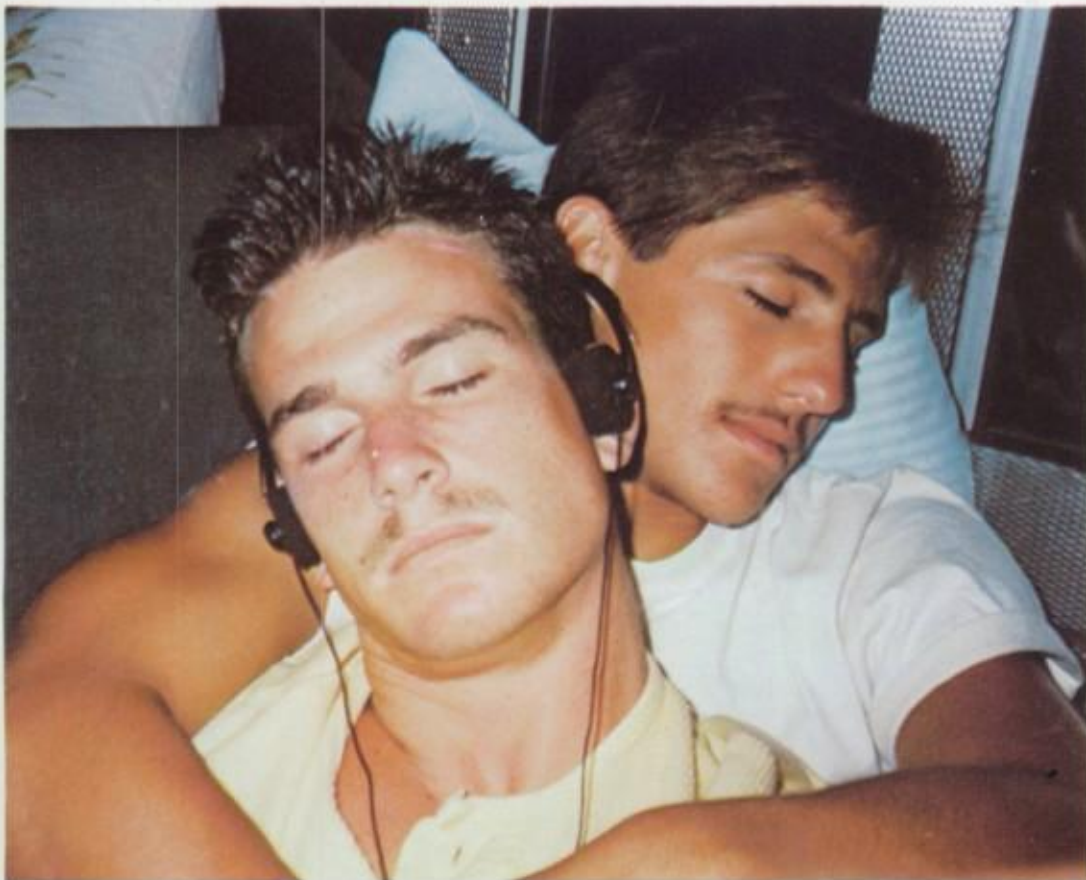

Front row (l to r) Tranette Wilson, Andy Reyes, Ingrid Anderson, Kristi Sondergard, Janine Clasen, Susan Yamanishi, Ahritta Kim, Deena Masumiya, Liz Ishi, Marina Bennett, Marc Ferraiz, John Christensen, Jim Botrell, Craig Roah. Back row (l to r) Joy Massey, Robert Wilson, Travis Larson, Suzanne Granito, Lora Saar, Jeff Howe, Erin Toth, David Chun, Mr. Maib, Cheryl Hand, Jason Smith.

Hil! How are you? That's nice. So what do you think of this yearbook so far? Pretty OUTRAGEOUS, huh? Do you like the theme? (We fought over it for weeks.) Anyway, take a look at the picture at the bottom of this page. Notice that these people stepped out of room 49 long enough to take a picture together. Quite remarkable, once you think about it. Another remarkable thing is that we had enough pictures, met all our deadlines, and retained our sanity. And we have to admit that we couldn't have done it without each other — Now wasn't that fun?????

We've Got It

The 1986-87 Colleen Drill Team definitely has it this year. After hours of practice, this team came together to perform award winning half-time shows and parades. The Colleens moved on to win 1st place at Silverado Days, also at Mt. Carmel and Los Altos.

As March came around the girls looked forward to marching down the streets of Dublin, Ireland.

After all this fine bunch of girls have done for Kennedy's spirit, they could honestly say "We've got it!"

A Measure of Perfection

What's the one word that would best describe Kennedy's Shamrock Regiment? Spirit! (That's what!) The Regiment's spirit was contagious as they played their way through our many assemblies, football games, and parades. The hard work and dedication of band director Zig Kanstul and Drum Major Lori Barnow payed off. Under their supervision the band was able to win victories in the Los Altos Field Show Tournament, West Arcadia Band Review, Silverado Days Parade, and many others. All in all, the Shamrock Regiment was able to make this year a measure of perfection.

OUTRAGEOUS COLORGUARD

Outrageous! That's the only way you could have described this group; or you could have used words like talented, hardworking, and enthusiastic. They were true-Irish spreading the "Kennedy" spirit wherever they went and showed off the outrageousness that makes Kennedy what it is.

Unending practices tested their dedication, and the competitions, parades, and half-time field shows showcased their talent. Last year's award winning tradition was carried on; so they spun, tossed, and twirled their way to the top in every aspect of their performance.

Wonder who they were? They were the "Outrageous" Colorguard for 1986-1987. They came and they conquered. They proved as always that the IRISH are No. 1.

The Irish were fierce competition at Silvarado days.

Kennedy hosted the International Days Parade and gave the competitors there a glimpse of the competition the Irish would give them at future events.

The first football game came and the members of the guard, old and new, looked forward to it with anticipation.

Christine, Mandy and Patty — The Colorguard buds!

Sherri Jackson — Rifles! Awesome! Awesome! Awesome! Uh!

Smiles like that showed off the Irish spirit.

Pre-game shows pepped up the crowds and gave them a glimpse of the excitement to follow.

The Preppie Pepsters

Who are they? They are the 1986-87 Varsity yell, Cheer, and Song squads. Their outstanding performances in pep assemblies and sporting events got the crowds up and cheering with pride. The astonishing beat of the song-leaders were led by head song-leader, Janine Clasen while head cheerleader, Heather Meadows, did a fine job in leading the Cheer and Yell leaders in their spectacular routines. These dudes and dudettes lead the crowds with their exciting stunts and enthusiastic cheers all year long.

The 1986-87 performing dance team has dedicated much of their time and energy into putting together great performances. Led by head leader Lisa Sakoda and the other four lead dancers, Wendy Johnson, Stacy Hodson, Tammy Houston and Yulie Kang, this outrageous dancing crew has performed in the Christmas competitions, International days, Silverado days, and our pep assemblies. Their work has definitely paid off because all the performances were spectacular.

The Homecoming Queen and Court

Lighting up Handel Stadium on October 24, a special announcement was made. Let us recapture this moment, "... and the 1986 Homecoming Queen is Chris Clammer!" Screams, cheers, excitement filled the air as the tension was broken. Crowned by returning Queen, Amy Mays, Chris Clammer became our 1986 Homecoming Queen. Chris showed her glory once more as she rode around the track.

The Queen's court consisted of five princesses: Kelly Wong and Suzanne Granito as Senior Princesses, Nanette Soto as Junior Princess, Dana Bradshaw as Sophomore Princess, and Lori O'Keefe as Freshman Princess.

Every girl dreams of a night like this, spotlighted in front of all her peers and especially crowned as a Homecoming Queen. This dream absolutely became "A Dream Come True."

Sailing On A Dream

"Sparkling memories on moonlit waters created the image of our voyage on this special night when we were Sailing On A Dream."

The theme of this year's Winter Formal is how one might have described the night. Romance filled the air. The dance, planned months in advance, was carefully prepared by Cheryl Hand, heading ASB. Couples crowded the dance floor swaying to the music by Deja Vu. The traditional announcing of the Most Preferred Men was done by Cheryl Hand. After the congratulations, the handsome guys and their dates lead the next dance.

The 1986-87 Most Preferred Men were: Seniors, Jeff Howe, John Christensen, and Brian Bowerfind; Junior, Mark Piening; Sophomore (tie), Jeff Taylor and Paul Grover; Freshman (not shown), James Chun.

Irish

Irish Week, which is held during the week of St. Patrick's Day, has become a tradition at J.F.K. With students dressed up and noon time activities, all can be guaranteed a great week. And this year's Irish Week was absolutely OUTRAGEOUS.

With such dress up days as pajama day, green and gold day, hats, buttons, and glasses day, and activities such as the mattress race, amoeba race, and the traditional tug-of-war, we had nothing but Outrageous Fun.

The sophomore cheerleaders worked hard all year to bring an abundance of spirit to their class. They were highly successful, for in class competition, the sophomores rivaled even the mighty seniors. These girls are dedicated to cheering for their teams. The sophomore cheerleaders have definitely brought the spirit to JFK.

The girls demonstrate their pride and spirit.

This year, the freshman cheerleaders have accomplished the impossible. They have encouraged the freshman class to be spirited. Whether they were at the freshman assembly, or at a football game, the freshman walked with pride. Even in class competition, the cheerleaders inspired the traditionally uninvolved freshman to stand up and cheer for themselves. Thanks to the freshman cheerleaders, the freshman really "Got into the Spirit!"

"Rockin-n-Rollin"

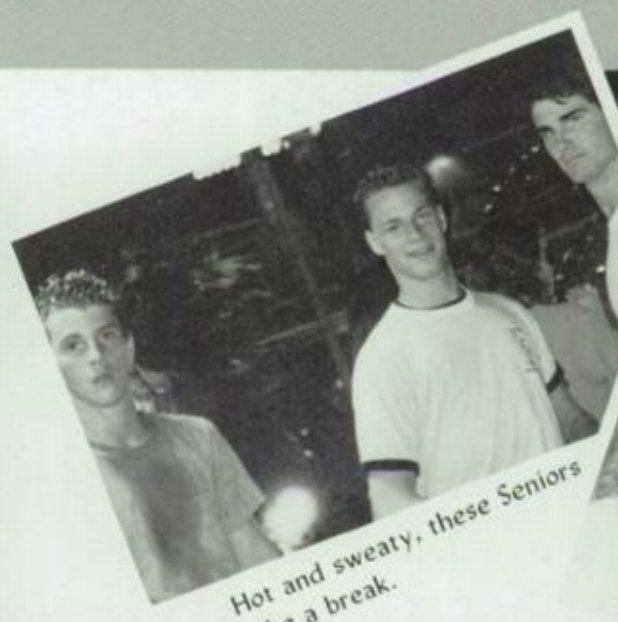

Senior skate night has become a tradition here at Kennedy. It's a special time for seniors to be together, have fun, cause trouble, and spend their last year together just being outrageous. And OUTRAGEOUS is what the class of '87 proved to be. Turned over bumper boats, cake fights, and more caused employees there to bid the class of '87 very fond farewells. But through it all the night was a success as everyone felt good and close to each other and had an outrageously good time. But as we turned to walk away, we silently promised to return — more outrageous than ever.

MR.
IRISH

As this year draws to a close, I can't help but reminisce over my 4 years at Kennedy and the number of great friends I have made. I am quite proud to have been a member of that great class of '87.

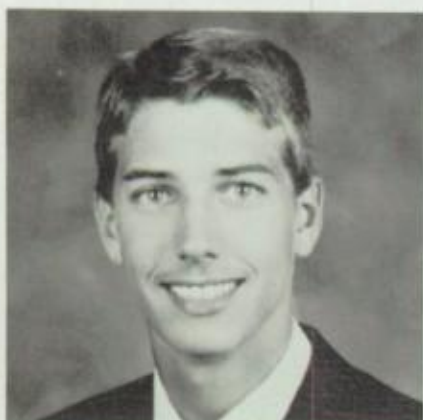

I have maintained a GPA of 3.63 and have taken college prep classes in English for four years. I have played basketball for four years, lettering with the varsity during my junior and senior years. I was appointed team captain in my senior year.

As a junior, I was named among the Who's Who of American students and was voted most preferred male of my class. Recently I was named one of the three most preferred males of the senior class.

My senior year, of course, proved to be the highlight of many enjoyable times at Kennedy, the most important of which was the tremendous honor of being elected Student Body President. I will cherish that honor forever.

I wish to thank my teachers, my counselors and my family for all the help and support they provided along the way.

Jeffrey L. Howe

As my years at Kennedy High School come to a close, I would like to express my appreciation to all of those people who helped me make the most of high school. One goal that I have had is to maintain perfect attendance throughout school, and I haven't missed a day yet. At the close of my junior year, I was fortunate enough to be selected as a member of Kennedy's Emerald Chain, and during the summer preceding my senior year, I attended the 49th annual California Boy's State. My two years on varsity basketball have been great. This school will always be number one in my heart, and, when asked, I will be extremely proud to say that I graduated from, "Our school, that grand old Kennedy."

Jeffrey Hansell

As I look back on my four years here at Kennedy, I realize just how fast the years have gone. I have always wanted to get involved in school activities and did this mainly through sports. My participation in athletics has taught me not only discipline, but also how to cooperate and work well with others.

Academics are also very important to me, and with the fine education I have received here I feel confident in going on to college and eventually on to a career.

I would like to thank my family, coaches, teachers, and friends, for their constant care and support.

Mark Roth

Ever since I was a 9th grader, my heart and mind has been with the Fighting Irish. As soph. class pres., I organized the ring committee & various fund raisers. I played varsity football, J.V. baseball & basketball. During my junior year, I worked on Spirit Week, Irish Week and helped out with the blood drive. I was also in charge of the Jr./Sr. Prom and again active in varsity baseball & football. As senior president, I have been active in the Sr. House, Sr. Announcements Committee, and the Senior Assembly. I played football & baseball and was co-captain of both teams. My life at Kennedy has been to learn, grow, and prepare for the real world. I'm thankful to my parents, teachers, & friends for helping me through my 4 years.

John Christensen

I can still remember the time when I could not wait until graduation. My past four years at Kennedy have been filled with new experiences, great memories, and most of all, great friendships. I have not only been fortunate enough to receive a good education, but I also have been involved in many extracurricular activities. Badminton, C.S.F., Key, Diati, and Emerald Chain are just some of the things I have participated in. FBLA and Yell, will go down as my greatest experiences in high school. Thank you to all my friends and family who have given me their love and support and encouraged me to take that chance, to take control, and to live life to its fullest!

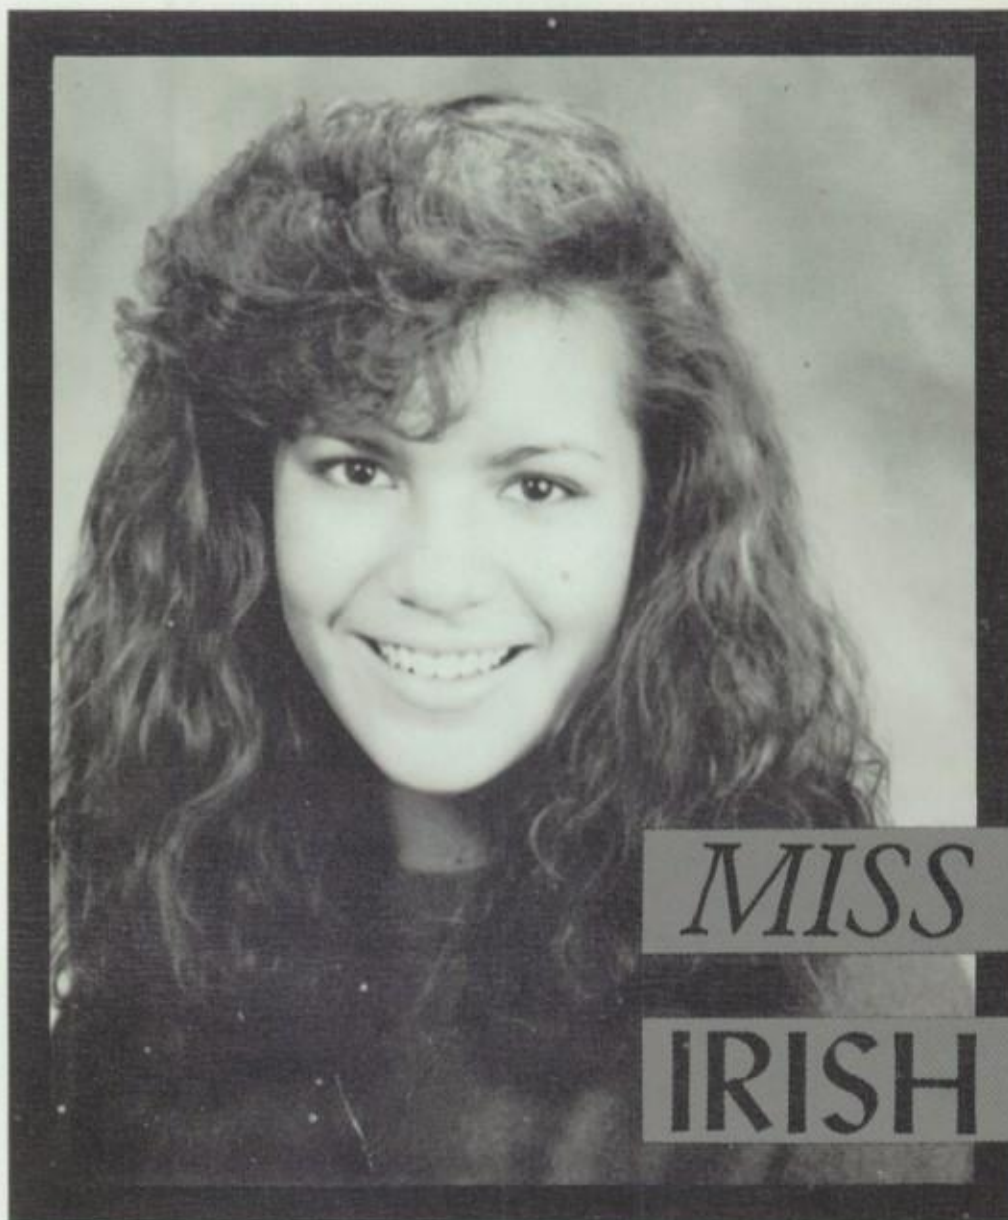

Nelson Rojas

I've learned a lot during my four long, grueling, painful, joyful, happy years at Kennedy. Much of what I've learned has come from books, homework, and tests, but what I'll remember most are the people—students, teachers and counselors.

These past four years here have given me much time to enjoy one of my favorite hobbies—people watching. Through this hobby, I've learned from the mistakes and successes of others. Most of the good values I've adopted have come from my family, church, friends, and especially God.

I think Amy Grant said it best, "When people look inside my life, I want to hear them say, 'She's got her Father's eyes'."

Kelly S. Wong

When I first walked through the halls of Kennedy High School, I felt much like Dorothy in the "Wizard of Oz." Like the tinman, the lion, and the scarecrow, I have gained courage and knowledge. Kennedy has provided me with an education that will serve in every aspect of life. This is most clearly noted in my willingness to help others, which is why I ran and was elected Jr. Class Sec. and ASB Secretary to the Student Council.

It has been an honor to attend a school that has enabled me to become involved with not only academics, but activities and friendships that I will cherish forever.

Ahriha Kohn

Throughout my life I have set numerous goals for myself. I have grown much through both my successes and my failures, but mainly through my efforts. I take great pride in the fact that I will have five varsity letters by the time I graduate: two in volleyball and three in basketball. During my senior year in volleyball, I was team captain, MVP, and a member of the Empire League Team. My involvement with on-campus clubs this year has included CSF, becoming Vice-President of O.C.E. and Diati, and serving as Key Club President. Looking back on my years at JFK, I will remember my most rewarding experience: getting to know you, the student body of JFK, especially the class of 1987.

Dena Davidson

Looking back on my past four years here at Kennedy, I realize that they were ones filled with memories I will never forget.

My participation in student government has not only taught me responsibility and the importance of working well with others, but has also enabled me to actively participate in the planning of school activities, such as the Jr./Sr. Prom, Spirit Week, and Homecoming.

The experiences I have had and the things I have learned here at Kennedy have provided me with a good foundation on which to build my future.

Suzanne Granito

I can remember the first day of school as an entering freshman who had hopes of making it through this so-called craziness called "high school." My hopes and dreams have changed since then, but not without the help and support of my family and friends. I now have special memories I will never forget along with friendships that will last a lifetime. Now, at graduation, most think of it as a time to make decisions and plans for the future, but I like to think of it as a time to reflect back upon my fondest memories of Kennedy High School.

I don't know what the future holds, but I know who holds the future—JFK "Class of '87"

Irish Pride Overcomes Adversity:

The 1986 season can best be described as bitter-sweet. An 0-10 record was the most difficult of pills to swallow. It was a tough enough task facing 10 of the finest teams in the C.I.F., but the Irish had to battle constant adversity along the way. Injuries, illness, and residence changes claimed an unbelievable number of the Green and Gold. Yet with each new problem, a greater sense of pride, determination, and family grew. A reputation as the "toughest" and most "aggressive" team in the league was earned and established. When most would have given up, Irish pride only became stronger. If it is true that the real definition of winners is those who never give in, no matter the odds, and give their all no matter the situation, then it can be said: The 1986 Fighting Irish are winners indeed!

Fantastic, spectacular, tremendous ... words cannot describe this year's 1986 Sophomore football team, for this season ended at the zenith. They were a team that worked together and that had an attitude of never giving up. Practicing many hours after school, their determination and effort paid off. They were a team that would not stop at perfection, but would want to exceed perfection. Without the talents of such skillful players, they would not have achieved so many victories. They are the 1986 Sophomore football team and proud of it.

There are not enough words to describe this year's freshman football team. But they are "Up and Coming" and at this point it looks like they will never come down. They have won 7 out of 10 games. Which is very good for newcomers. The whole season they've been trying to be the best Freshman football team at Kennedy. And being #1 in the Empire League proves that they are the best!!!!

GOTCHA

The 1986-1987 Boys Varsity Basketball Team had a great year. Coach Mayberry attributed the team's success to their togetherness and desire to do their best. With Danny Davidson, Dave Barker, and Mike Pettengill handling the ball, the Irish were able to run by their opponents. Steve Kosek, Jeff Hansell, and Gary Rasmussen played the post and shutdown the opposition, and Maurice Keith, Mike Williams, and Glenn Tarlton came off the bench to help lead the Irish to victory. While Wendell Lauderdale was busy dunking on the other team, captain Jeff Howe was setting a school record for shooting percentage in a single game, and Michael Keith just plain did it all. This year's team was loaded with talent, and will always remain "Champions, together with pride."

Jeff Hansell, what a guy!

This year, Kennedy's Girls Varsity Basketball team went to CIF. The team was led by Coach Albano, who worked with the girls and was a great motivation to them. Their minds were set to win, and they never gave up. This year's team showed alot of potential and skill. All of the girls show aggressiveness and want to be the best all the time.

P.S. I DON'T CARE WHO JOHN SAID YOU MISSED IT. I DID.

The team participated in the Santa Ana Tournament, receiving the consolation championship, placing second in the Bosco Tech Tournament, and placing third in the Santiago Tournament. At present, their record is 4-1-0. With team effort and experience, the J.V. team will be ready for next year's prestigious Varsity team. Now isn't that outrageous news!

Led by Coach Lovely, the boys Frosh Basketball Team pulled off an impressive season. The team participated in the Los Alamitos Tournament placing fourth and the Bonita Tournament placing sixth. Although this team was relatively new, their aggressiveness and sharpened skills produced spectacular results. Their current standing in the league is seven wins and one loss.

Basically, the Soph Boys Basketball Team came on very strong. Placing third in the Sunny Hills Tournament, the team is currently 1-7-0. The team displayed much effort and spirit. With these qualities, they'll be ready for the J.V. team next year.

Kennedy's Varsity Volleyball season was highlighted by some exceptionally tough (and sometimes weird) games. An emotional five game, two point loss to undefeated Esperanza was somewhat balanced out by a five game win over second place Cypress. With one game to play and one game ahead of powerful El Dorado, JFK lost the last regular season game to tie for third place in the Empire League. The playoff game the next day proved the spirit and determination of our volleyball players. Congratulations CIF-ers!

Finishing 16-3 the girls J.V. Volleyball team had the second best season in all of Kennedy's history. The 1986 Freshman/Sophomore Volleyball Season was a positive learning experience for 19 Kennedy High School girl athletes. They participated in two to three practices a week and played their games on Tuesday and Thursday afternoons. The girls skill improvement was continuous. The team had great dedication and express a winning attitude all season. As a coach I was extremely proud and pleased at their ability to learn and compete. Our overall record was 6-8.

The frosh/soph and J.V. wrestling team work very hard to learn about wrestling and to become good enough to compete. Most walk in with no experience in wrestling yet endeavor to wrestle and win. Determination, guts, and hard work is what it takes to make it in this very tough and competitive sport.

The 1987 Boys Tennis Team had an exceptionally successful season for such a young team. Their accomplishments were achieved by team work and many hours of practice. Varsity Coach Tan Ngo and Junior Varsity Coach Ms. Rabune were the mentors. With her rigorous drills, Coach Rabune built up the players' endurance levels, while each of the player's skills and natural talents were honed by Coach Ngo. The success savored by this year's tennis teams are definitely a harbinger for the Fighting Irish tennis teams in the years to come.

This years girls Varsity Tennis Team was tied for 3rd place with Katella. This is a great improvement from past years. Coach Marilyn Schultz has been coaching for the past three years and each year the team makes more progress. Senior Michelle Tenney was the #1 player on the team for 4 years straight. Next year the team will start over again. They'll have a good chance at #1. Good Luck.

The Girls Junior Varsity tennis team had an exciting and successful season. Everyone worked and tried hard and really improved their games.

The three singles players, Joanne Richey, Jackie Sussman and Sara Elam, played many good matches and had some excellent wins. Joanne played number one all season and contributed to the team in many ways.

The doubles players also played very well, and improved their net games. They came through for the team many times.

Even though the team was not at the top of the league, they gave most of the teams a close match.

They were known as the "Speedo Brigade." Often, as one walked to school in early fall, a group of half dressed men would zoom by on their way to some unknown destination. These bold, daring, and unafraid men were the 1986 Fighting Irish Water Polo Team.

In Coach Till's second year as head coach, Kennedy is now a CIF water polo power. This was made evident by an extremely strong season in 86. The Irish had never had as tough schedule as they did this year, and they finished with a winning record of 13-10. The Empire League offered some of the toughest teams in CIF. Nevertheless, the Irish qualified for CIF — the best of the best.

Although the boys J.V. and Varsity swim teams have increased in size, almost doubled in fact, they are stronger than ever. The teams are "more dedicated" this year says Coach Hoshi. This can certainly be seen in the early morning workouts held at the pool(rain or shine). Coached by Ron Hoshi and Sue Hurley, the teams have had one of the most successful seasons ever with many of its members going to C.I.F. Good luck swim team in the years to come!

The Girls Varsity and Junior Varsity swim teams had a good season. Out of the nine varsity girls, three of which are sophomores, six were returning letterwomen. The Junior Varsity had a lot of new blood that was willing to 'dare to strain and endure the pain.' With the help of their coaches Ron Hoshi and Sue Hurley, the team swam on with high hopes for CIF. The 1987 Varsity Baseball Team was composed of a unique blend of returners and newcomers. The Irish were led by returning All League performer John Christensen. Flanking Christensen in the outfield were seniors Todd Bristow and Mark Roah. The infield returning starters were Mike Shipley, Steve Rath and Robert Wilson.

Newcomers to the Varsity team were Jason Smith and Bill Huse, both junior outfielders, Peter Montero (soph.) and Brett Helper (sr.) added depth to an experienced infield.

Behind the plate, Scott Pool and Ernie Franco caught the pitches of Chris Huston, Greg Hansell, Doug Archibald, and Charlie Lindquist.

A good blend of youth and experience paced the 1987 Irish in a year of success and down the stretch in a solid drive for a playoff spot.

Go John! Go!

Good job Mike.

The Varsity softball team had an adventurous season. Captain Chris Clammer-the only senior helped lead the team to many victories. With the unlimited talent and the many hours of grueling practice, upon practice, upon practice . . . do you get the picture? It was a lot of hard work that went into the preparation of our games. With all this time spent together it is no doubt that these girls learned a lot about each other. They learned that when they work hard enough together they have better attitudes which helps them to win their games. Miss Iverson is looking forward to a promising season and also looking forward to the next year with all the returning players.

The 1987 edition of JFK's JV Baseball had some old and new faces with a new brand of Irish spirit. Returnees Mike Correa, Mike Dowd, Jack McConnell, Jeff Hulme and Bill Huse solidify newcomers Jerry Libell and Eric Nagasawa along with the former Frosh-Soph players Jeff Thieme, Dan Searle, Scott Morris, Jim Bottrell, David Huang, Rich Bandy, Kevin Herring, Scott Ethington, Scott Walker and Clemente Arrizon.

If the league opener against a strong Pacifica team is any indication of our strength, the season should be an enjoyable one as JFK pummeled the Mariners 9-2 behind the 4 hit pitching of Mike Dowd and 3 RBI's of Jerry Libell.

The '87 J.V. Softball team displayed many new talents. Consisting of mainly freshmen, with four sophmores and one junior. The team looked forward to the on-coming season. The coach of the J.V. softball team was Ms. Joan McGee, who is a former first baseman for Kennedy's varsity softball team. She gave tough practices but made them fun for everyone. The team started off the season by taking 4th place in the Cypress tournament and dominated, the Empire league teams in fielding and batting.

As one player put it "working together as a team is the most important asset, and working together is something that could help us win every game."

Dyan Lundby gives her review of the game.

The 1987 Frosh-Soph baseball team was a group with great potential determination and talent and they turned out to be Outrageous athletes.

With hard work they learned to come together to make the team what it was...part of the Fighting Irish Team. These young boys made an extra effort to improve their batting and hitting skills. The thing that made these boys strive so hard was the final reward they knew they would have a chance of achieving...the chance to be on the team next year on the Varsity level

What surfing is all about

Kennedy's dedicated bunch of surfers woke up at 5:30 on Saturday mornings to venture down the coast after that perfect wave. This group experienced many different surf spots such as Trestles, uppers, lowers, San Clemente, Newport, and many others. We're all looking forward to the ultimate surf safari to Mexico that we plan to take during summer. Hard core surfing is summed up in one word: Commitment.

What an exciting year this has been!

Our students have again displayed outstanding results in the academic program and we have been honored by the successes of our athletic teams, the Shamrock Regiment, musical and drama productions and many other programs. This has been a year for new people and new programs to contribute significantly to our school.

The mission of our school is to help you, our students, develop into capable young people. Everyone at Kennedy High School wants you to succeed. We hope that you have set your goals high and are working to accomplish these dreams. You do hold your future in your hands. You are in control of your destiny.

What did you do this year when you were having personal problems? When you didn't get along with your teachers? When you weren't sure you could pass math? You walked down to the Counseling Center and talked to one of JFK's six counselors of course! The able and caring Kennedy counselors aided us in all different aspects of campus life. Whether as friends or advisors, the counselors were always there to offer us students advice, suggestions, or just a friendly ear to talk to. Kenneth Fox, Judith Gappa, Sallie Coltrin, Owen Lee, Dori Barnett, and Cecily Ballou were able to make 86-87 a truly wonderful year!

Hard at work again.

Teachers! Teachers! Teachers! Who wants to be a teacher these days? Not many, but what will happen in the years to come? The world is changing. New things are being discovered. Aren't we supposed to be getting smarter? If that is so, how can knowledge be passed on without these special people? Why do we give them such a hard time, when all they're trying to do is help us? Can't we see that we have everything to gain?

Kennedy teachers are spectacular. Each day they come to school with smiles on the faces, eager to teach. They are the ones that actually make John F. Kennedy happen, teaching a variety of classes. A few classes that were taught were marriage and family life, accounting, math, drivers education, etc. Teaching a variety of classes allows students to choose ones that they would enjoy. This year, like every other year, their efforts were tremendous. Thank you teachers for making each day interesting and exciting.

Oh no, another mistake.

Who are we to thank for Kennedy's organization, cleanliness, and school lunches? Why our secretaries, janitors and cafeteria personnell! This year as always, our efficient secretaries ran the offices, answered the phones, and made sure that everything was in its proper order. The janitors worked hard to keep our school in top condition as they were here every morning to make sure J.F.K. looked its best. Throughout the year the cafeteria personnel succeeded in their seemingly impossible job of preparing lunch for Kennedy's hungry students.

All in all Kennedy High School's staff of secretaries, janitors, and cafeteria personnel kept J.F.K. running smoothly.

Chess Club

Chess Club members have been playing hard this year and spending many hours in this intense game. The supervisor is Mr. Bertoni. Members battled extensively on opposite sides of the chessboard to trap the king. Also, they took on the computer at chess.

Child Care

This year's child care class has taken a lot of "TLC" into taking care of these little kids. This class which took place during third period allowed students to play and act like a mommy. Togetherness kept them together through all the amusing situations and mishaps that happen to kids at this age. As the year draws to a close you know that these girls will remember the memories that they shared with their little friends, and that their friends will remember their big sisters.

Choir

The choral group sang their way into our hearts this year. Led by advisor, Mr. Hoshi, the choral group was a hit. Their success as a group and as individuals were at the pitch of perfection. They performed in various concerts like the Broadway, Christmas and Pops Concert. You may wonder how these people can get up in the morning to sing, but their love to do this is so great that they can do what some might call the most unusual.

CSF

CSF, the California Scholarship Federation, is an honor organization which fosters scholarship, citizenship, and service on the part of students throughout the state. Students who participate in the club are required to fulfill high academic standards based on grades earned in certain scholastic courses. To students who maintain membership for four semesters, one being in their senior, the title of "Gold Seal Bearer" is awarded. Symbolizing this honor is a gold seal placed upon the students' high school diplomas. The club this year was active by sponsoring projects such as a bake sale, candy sales, and canned food drive. With the support of the advisors, Mrs. Greer and Mr. Arakawa, this group of achievers earned a year of success.

Diati

The term "DIATI" is from the classical Greek, meaning why? "DIATI" thus symbolizes the club member's inquisitive nature. The club's basic purpose over the years has been to provide its members with access to intellectual, cultural and social activities.

Most recently, the DIATI club has focused its energies in the area of university institutions and has sponsored field trips to UCLA, UCI, UCSD, and USC, and a trip to the Pomona-Clairmont Colleges.

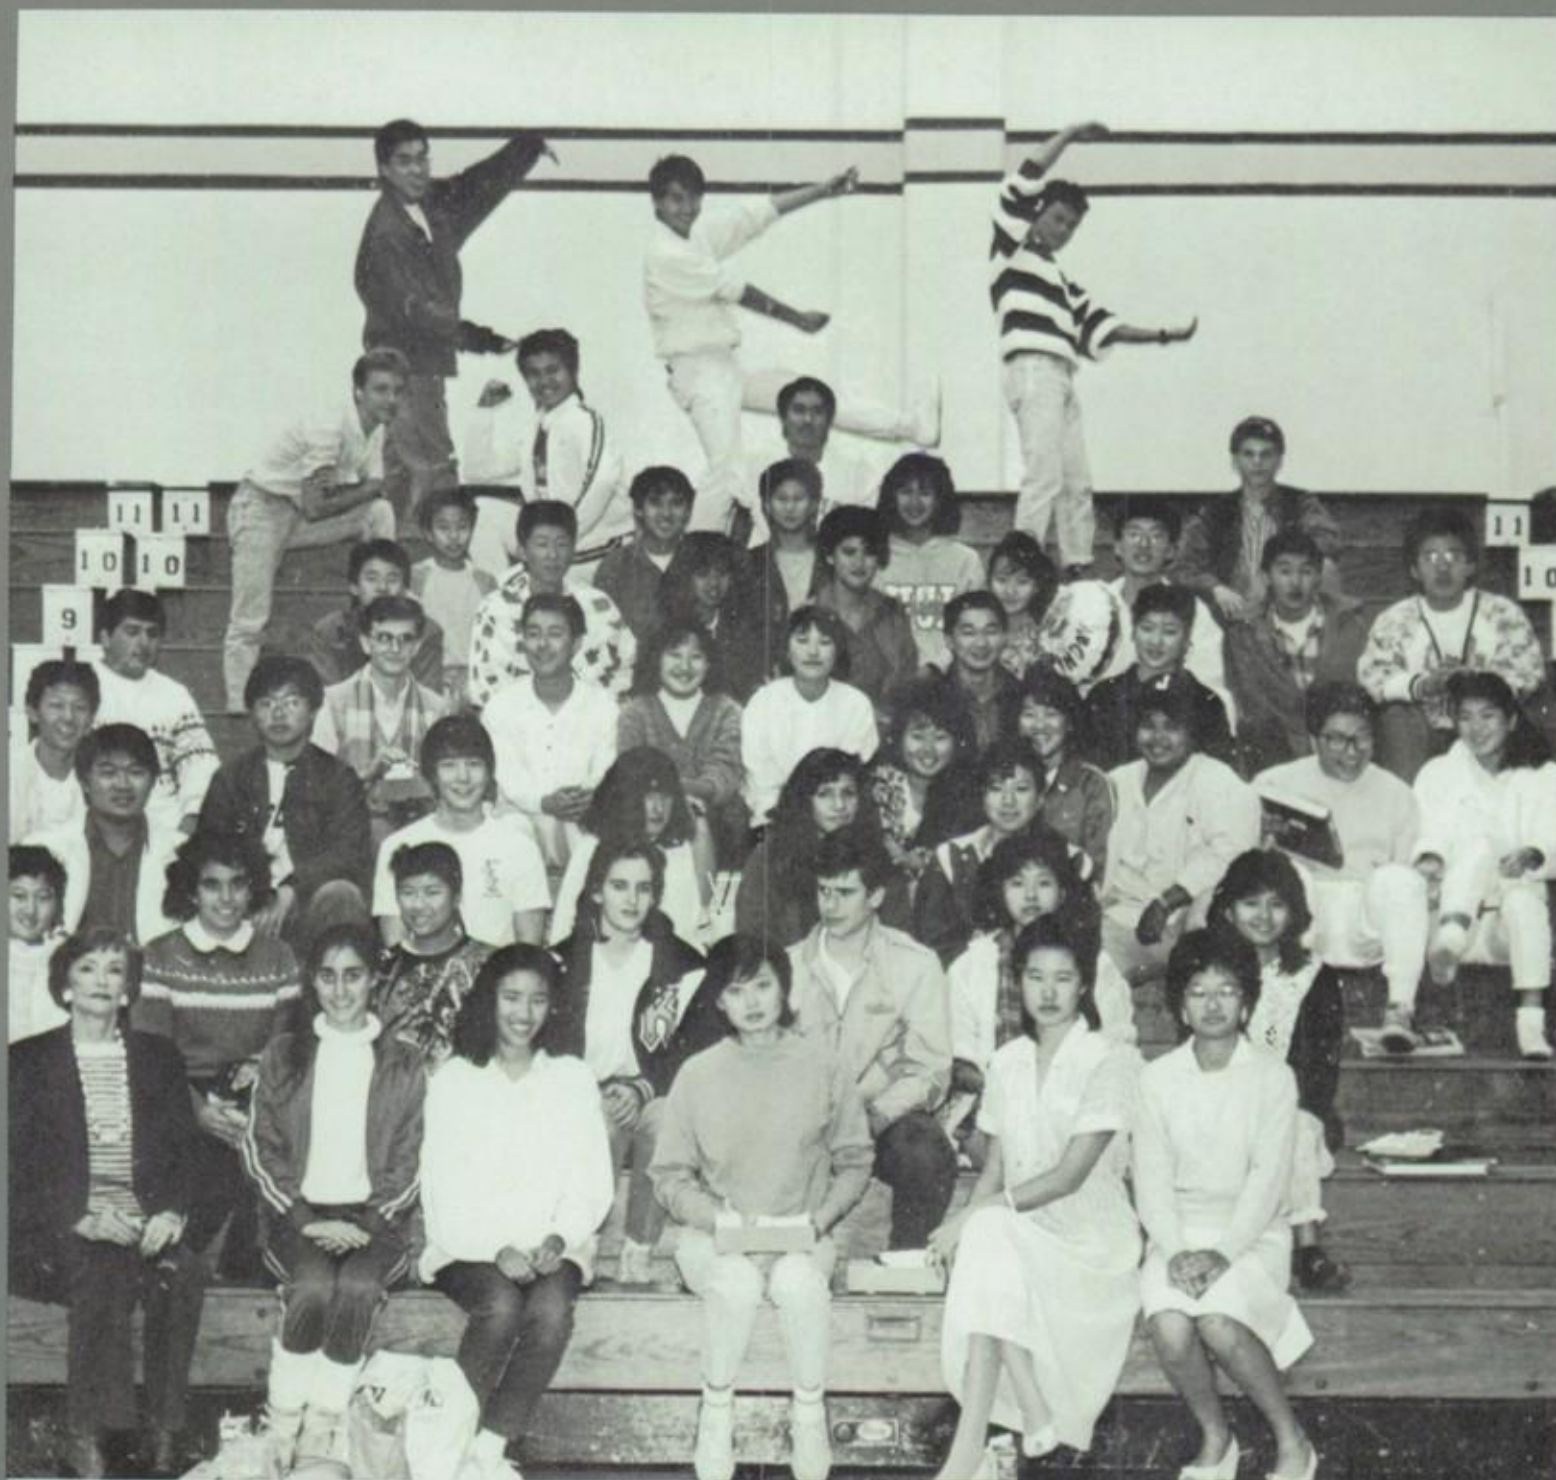

Cultural experience club was . . . well an experience! The club had many guest speakers, such as Nelson Rojas. He discussed the similarities and differences between his culture, Philipino, and the American culture. Getting such speakers was the aim of this club. There were many other activities this club was involved in this past year, which were all organized by the efforts of the club officers and advisors. They did a great job!!

Diati club officers are Dena Davidson, Jeff Tsai, Mark Piening, and Joy Lei.

FBLA

The Future Business Leaders of America organization has one of its most successful years this past year. With the membership doubling that of last year's, the officers planned an exciting program of activities. The Kennedy Rocking chair project, the Union Rescue Mission clothes drive, a Christmas party for the Mark Twain school for the handicapped, and the Thanksgiving basket were just a few of the activities accomplished. The chapter was also proud to represent Kennedy at numerous conferences at the Section, State and Nation levels. Members and officers alike were out to prove that "FBLA IS NOT JUST A CLUB, IT'S AN ADVENTURE!!".

Meet me at the

Senior Class (House)

This year's Senior Class got off to a great start with an awesome turnout of interested students. With a lot of time and support John Christensen and the Senior Class pulled together to have a great Senior year. Kennedy's Senior class of 87 will leave a great footprint for the Juniors.

Junior Class

The Junior house led by Kristi Sondergard had a great year. With all the fund raisers and school activity the junior class was very outgoing. We are looking forward to an excellent and promising senior year!!!!

Sophomore Class

The Sophomore Class got off to a great start this year led by Liz Ishi. Their spirit and excitement could be seen everywhere. The sophomores were outgoing in all school activities. We're definitely the class of 1989!!

Freshman Class!

The Freshman house really tried hard to make things happen for their class. Led by Pres. James Chung the freshman class tackled many goals. And hope to capture their dreams for their future.

Inter-Organization of Clubs

I.O.C. is Inter-organization of Clubs. It consists of all the clubs and organization Presidents. We have meetings once a month to discuss what's going on. This helps us keep the communication going within the school.

Key Club, sponsored by the La Palma Kiwanis Club, is a community service organization. Key Club members worked with the La Palma Recreation Department this year in presenting the city's International Days, its Halloween Carnival, Santa's Workshop, and Easter Fantasy. Key Club volunteers also took time to visit the elderly and often forgotten residents of local convalescent hospitals.

I.O.C. consisted of 1st row: R. Quon, D. Walker, L. Saar, H. Meadows, L. Sakoda, 2nd row: T. Sito, J. Mauncio, J. Tsai, D. Davidson, A. Manriquez, 3rd row: D. Chun, K. Sondergard, J. Howe, V. Fonseca, L. Ishii, 4th row: N. Rojas, J. Christensen.

"The Key Club"

Outrageous

The 1987-88 Shamrock, the Irish's own newspaper, consisted of 18 members led by Editor in Chief, Rosalinda Garcia, and their advisor for the second year, Mr. Montalbano.

Editors: Andy Ahn, Darren Roberts, Shannon Carey and Lezlie Manukian. Cartoonists: Andy Ahn, Albert Lopez, Darren Roberts and John Varga. Photographers: Dennis Huang and Lynn Pido. Managers: Sonia Lee, Meli Fisher, and Steve Nauck. Typist: Carol Thorne. Reporters: Dennis Huang, Ken Jones, Sonia Lee, Albert Lopez, Leo Monzon, Steve Nauck, Maekwan Park, Lynn Pido, Rhonda Minner, John Takaki, Carol Thorne and Sharon Woolf.

The staff wrote about such controversial subjects as school issues, politics, drugs, birth control and Aids. With all their hard work and dedication the Shamrock staff printed very informative, successful and outrageous newspaper.

"Behind the headlines and paragraphs is a dedicated hardworking staff."

"Mr. Montalbano contemplates the next edition of the Shamrock."

News

"It's not all hard work, says Lezlie."

"Darren Roberts works hard to meet the deadline."

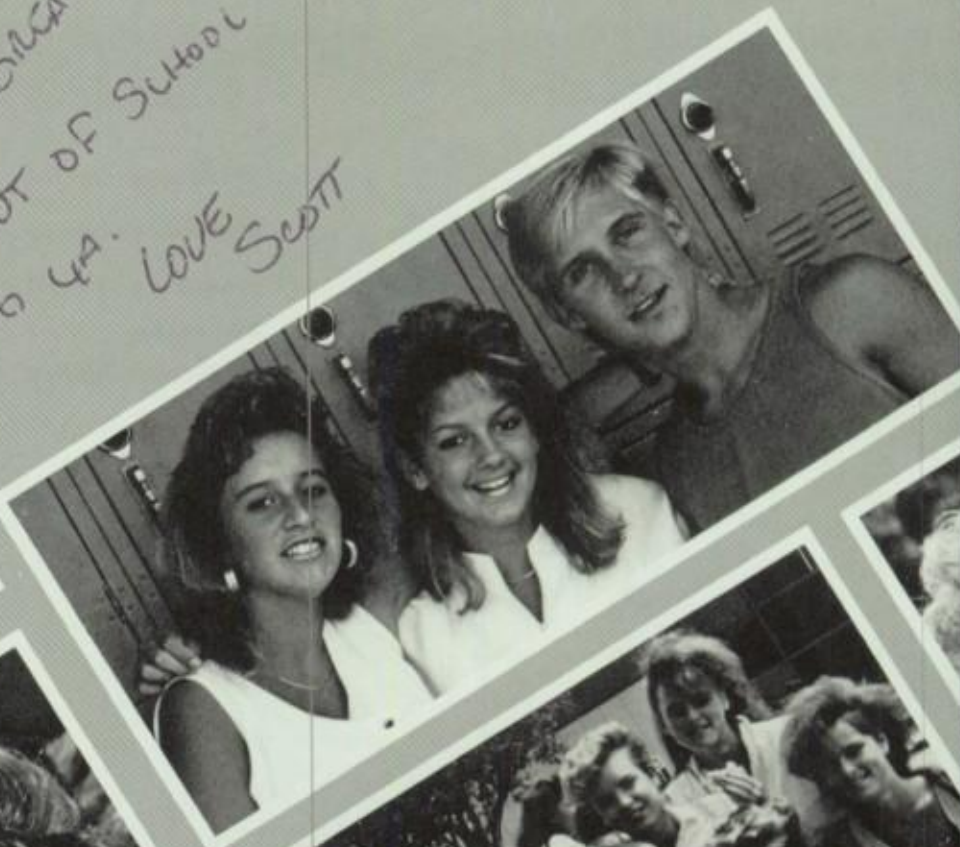

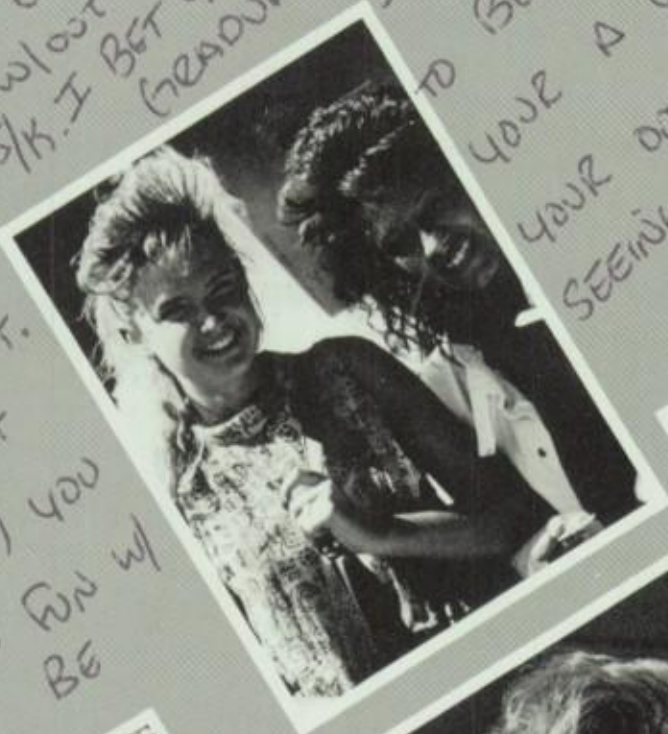

"Shamrock staff and proud of it!"

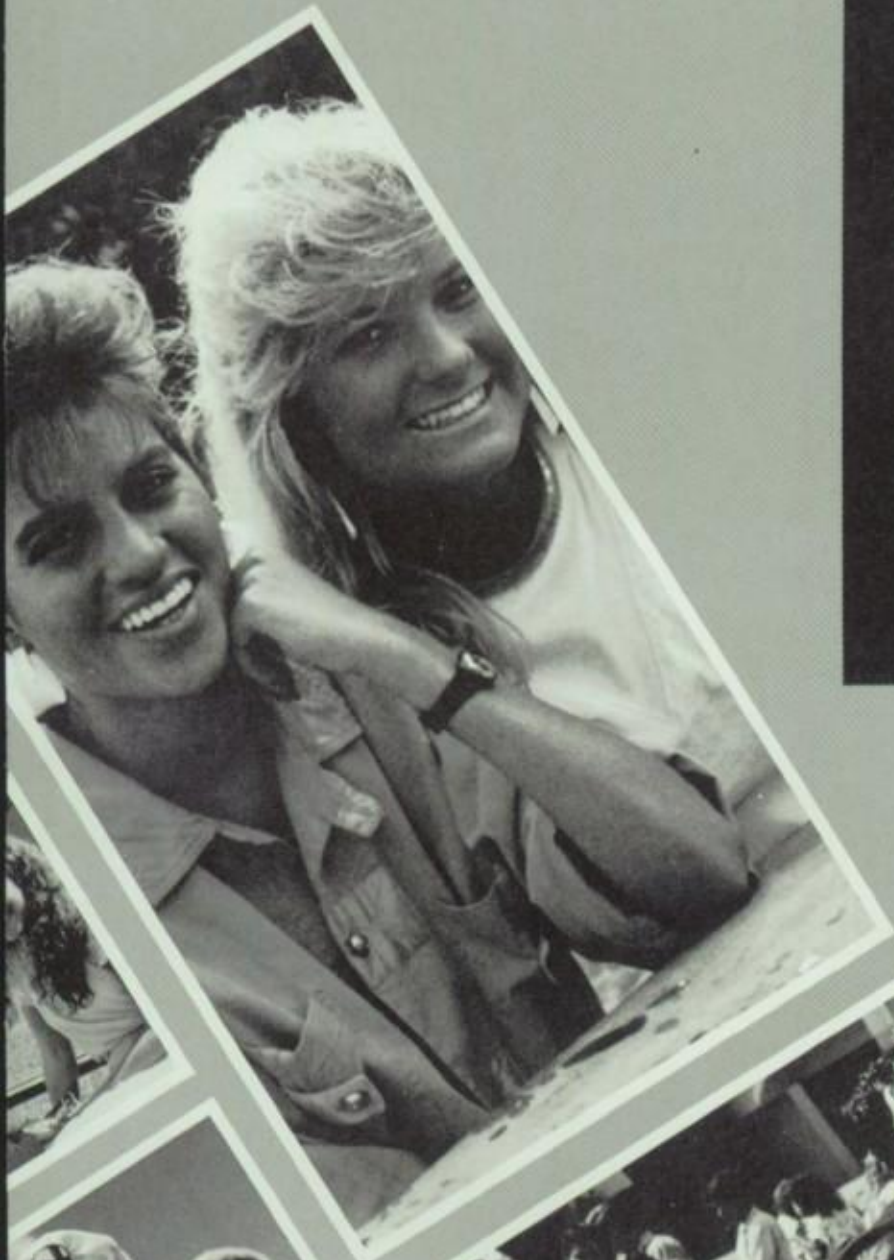

"In between pages, Carol, Mel and Sharon take 5."

Jammin' Juniors

Most juniors will agree that this year wasn't all fun and games. Basically, being a junior just meant carrying a heavy load of work and struggling to finally become the "big guys" around campus. After all, the junior year is perhaps the most important year of all in deciding what you want to do after high school. It is certain that most juniors got really frustrated about preparing for the S.A.T. or taking the P.S.A.T. But it's all a part of climbing towards a great future; and when you finally get your class rings, you just feel the spirit of becoming a senior.

President; Shelly Walker, Secre-
tary; and Liz Ishii, President.

Sophmores

Shelly loves her treasurer, Ryan Ito.

"Are we GQ, or what" — ask the sophomore officers.

A true gentleman to his Prez.

Ingrid can't figure out what to do with these two!

Sensational

The year is finally over, and the sophomores, now juniors, are one step closer towards their senior year. The sophomores had no problem as returning classmen. However, they had to face another year full of challenging courses and difficult teachers.

Meeting new people and making new friends turned out to be a lot easier since they were no longer freshmen. They were the sensational sophomores!

Freshman

Insight

Switching from junior high school to senior high school had been a frightening experience for some but a fun time for others. As a freshman, you had to adjust to your new surroundings and you also had to be on the guard for upperclassmen.

Nobody gauranteed that high school was a piece of cake. It took lots of effort and patience for the freshmen to finish their first year. So hey freshmen, look on the bright side, one down, three to go.

Mega-Stars, Mega Buck\$\$s! This year was filled with shining and energetic faces! Even fuzzy faces filled the television screen with the new situation comedy Alf. Crocodile Dundee was one of the top grossing movies of 1986-87. The most innovative and moving motion picture was Platoon!

Again Eddie Murphy and Bill Cosby hit the favorite list. Bruce Willis also hit the top forty with a upbeat song he cut with the Pointer Sisters.

The first female President Mrs. Corizon Aquino made headlines. Yes, the 1986-87 school year was filled with wonder actors, sexy actresses and frolicking famous people which again is truly outrageous.

Shooting

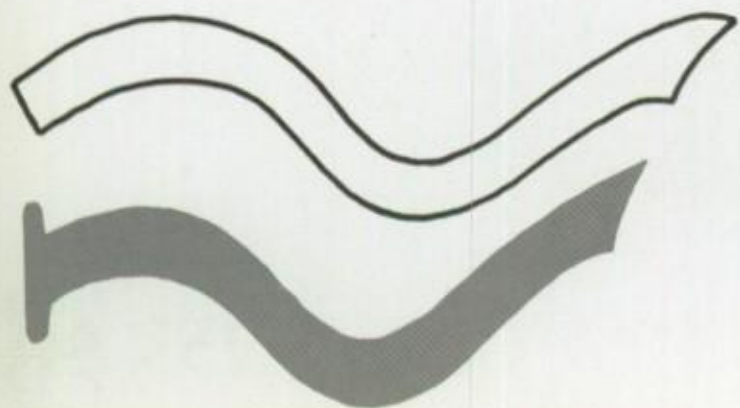

1987's most shocking Hollywood flick, PLATOON.

Not surprising, The Cosby Show is still America's favorite.

Bruce Willis bops to the music beat.

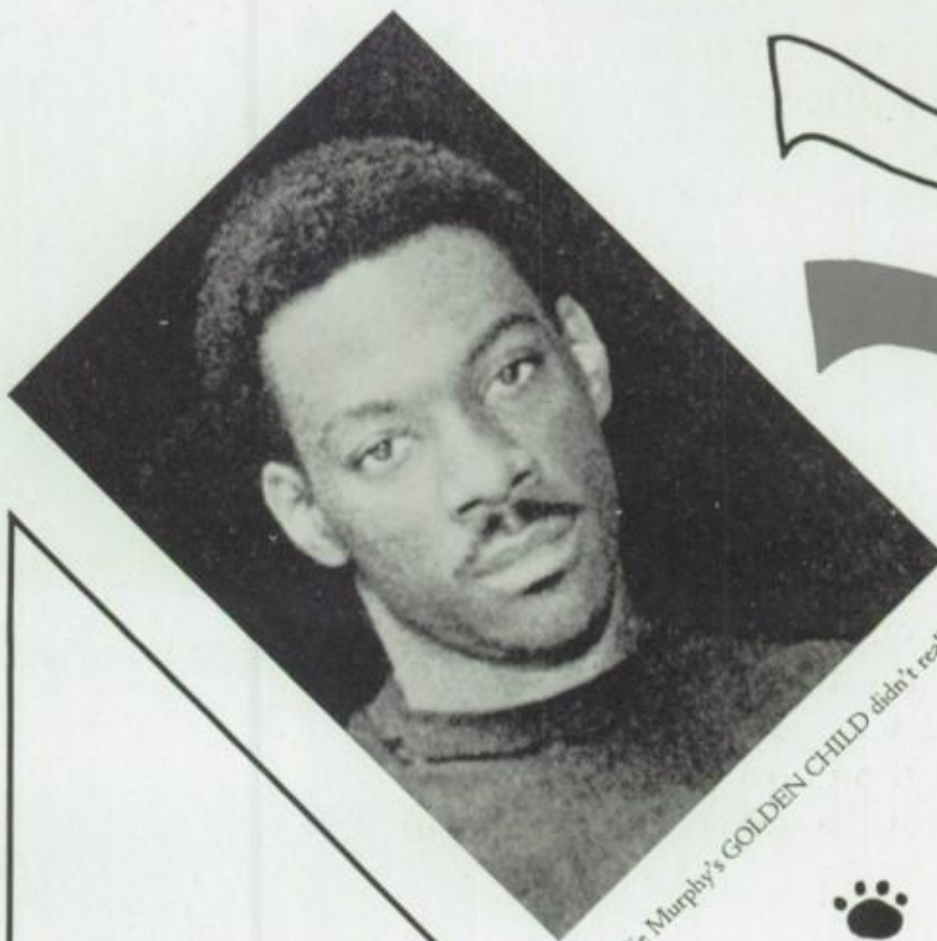

Stars

Cary Grant still and forever a favorite.

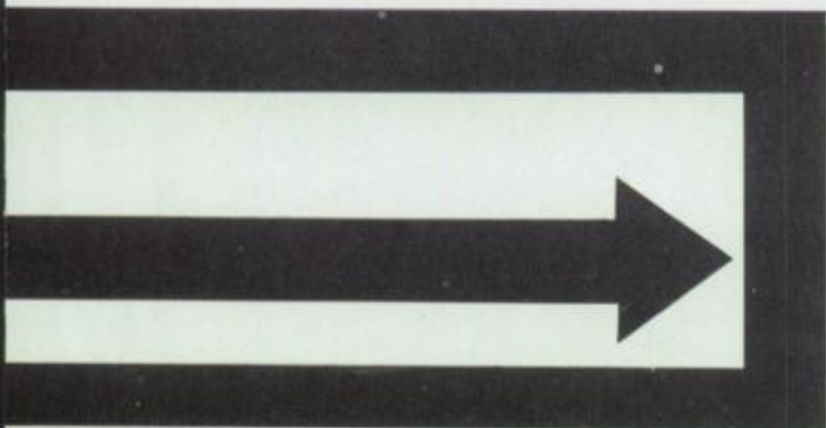

G'Day! Paul Hogan as "Crocodile" Dundee.

Eddie Murphy's GOLDEN CHILD didn't really sparkle.

T.V.'s own E.T., Alf.

music

This year in music was great. It was a year for new artists. Artists such as Stacey Q and The Jets, but where is the Brass Monkey. The music was the best ever, no matter what kind of music you like. Every where you go there is music, whether it's in your car, or just relaxing at home. The Pet Shop Boys came out with "Suburbia", while Bon Jovi was Livin' on a Prayer. This year's music was "Outrageous! ! !"

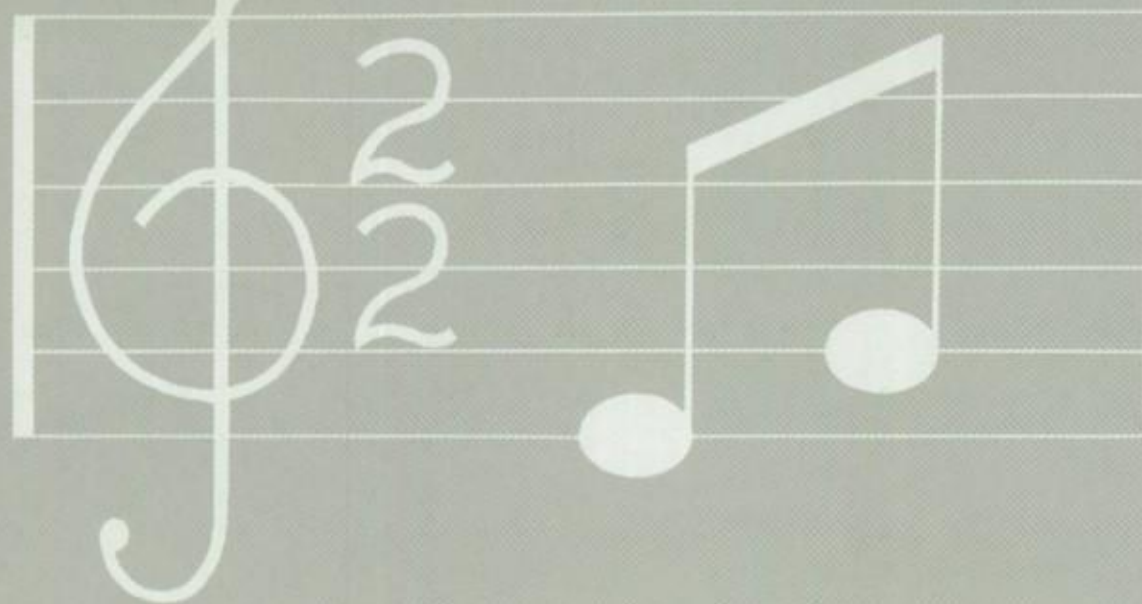

"Under the Cherry Moon" couldn't phase out The Kid.

The "New" Monkees.

"Definitely Dave."

Whitney, Whitney, Whitney ... ugh!

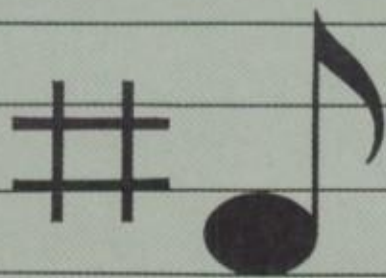

Stacey Q. wants to connect with you.

Blast off with The Jets!

The Bangles want you to "Walk like an Egyptian ...

Run D.M.C. wants you to "Walk This WAY."

BUT

Listen to Billy's "Rebel Yell."

Bon Jovi the BAD boys of rock-n-roll.

SENIOR

LIFE

The senior year is the most outrageous year of high school and the members of the class of 1987 did a variety of things outside of school. Whether they were working at the local drug store, the mall, or taking care of business at one of the local video stores, the seniors always had fun. The seniors smiled even as they did the dulllest of chores such as homework, returning videos, or doing the weekly grocery shopping for the family. And when the work is done, there's always time to grab a bite to eat or just hang around. It's what we call SENIOR LIFE!

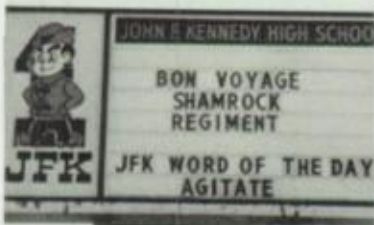

AND SO THE CLASS OF '87
IS ALL BUT A DREAM. WE
PUT OUR BEST FOOT FORWARD
INTO A WORLD OF PROGRESS.
REMEMBER ALL THE GOOD TIMES
AND UNDERSTAND THE PAST. ONLY
THEN CAN WE GROW STRONGER
AND IF I COULD DO IT ALL
AGAIN I WOULDN'T CHANGE
A THING BECAUSE THE IRISH
PRIDE IS ETERNAL! PEACE,

ASB President Jeff Howe

Even before I started my senior year at J.F.K., I knew it was going to be fun and exciting because student council was going to be a new experience for me. But I also knew it was going to be a lot of hard work and full of responsibilities, since student council was no longer under the guidance of the legendary "Mr. C." Mr. Maib was now in charge, and Kennedy had also received some new administration.

As the year began, council and the new administration had its problems, as predicted. But as the year progressed, things started looking up. Both Mr. Maib and I started to get the hang of what Kennedy High School and Student Council are all about.

I would like to thank Mr. Maib and the Student Council for all the hard work many have overlooked. I would like to add a very special thanks to my second "Mom," Mrs. Hansell. She has been a tremendous influence and she has helped me a great deal.

A final thanks to everyone who made this year at John F. Kennedy High School the best year ever. Good Luck and I will miss the school dearly.

YAH SHNAKE!!!

Sincerely,

Jeff Howe

ASB PRESIDENT

When I began my final year here I was surprised at how much we all have changed over the last 4 years. Looking back at some of these pictures brought back some strange and forgotten memories. I will cherish them even more each time I look at this yearbook. This book has a special place in my heart since I looked over its care everyday.

Between trips to Micky Deez or Taco Bell and the many problems we faced as a class we managed to put together an outrageous book. Don't get me wrong, yearbook is great fun BUT, when those deadlines come around and you have no pages done when 72 are due . . . D-DAY!!

This job as editor was not easy and I do not recommend the position to anyone who doesn't have a loud voice or someone who won't talk back.

Pressure really gets to you fast when you are editor. But I hope we delivered the goods to you. The class was different from all others, but that's why it is an experience to remember.

I will not soon forget my friends nor the girls at the counter, who never allowed the class to get boring. What a year, huh, Mr. Maib!

Hasta la vista, baby!

Sincerely,

Vanessa Fonseca

good luck class of 1987!!

This is a personal thank you to those who made "High School Life" everything it is cracked up to be, and more. Nobody ever realizes how fast the time goes by until it's too late. The laughter and tears contribute to the memories, this is why we fill the years with the best of friends and the best of times.

KIM, MILLIE, and DAWN: The summer of '85 was an experience I'll never forget. Not a day went by without the four of us getting into some kind of trouble.. You guys made getting into trouble lots of fun.

BRANDY: We've been through so much I could be here all day just hitting the highlights. Anyway, you mean a lot to me, just promise me one thing .. no more brick walls! We made it to our first formal, so how do you feel? No more CARL'S JR. and ALPHA-BETA ice-cream for us. "Let's blow this taco stand and paint the town fuschial!"

LISA: I can still remember the first day I met you. Two years later, we are best friends and going on strong! You've become everything to me and that will always be the same. Formal night was great, I just wish our limo hadn't gotten stolen. Let's go to NAUGLES and have a talk.

DAYNA: I won't hold the limo ordeal against you just don't let it happen again. You, Lisa, and I may all be short but when it comes to having fun, the three of us together get in over our heads. One more year and we are out of here! Let's go out with style!

PAMELA: You are the sweetest person in the world! You have gotten me through some of the worst times. When I didn't think anyone would understand you did, and I thank you dearly. Take care and keep in touch.

MISS TEE-TEE: You are like the sister I always wanted. We have had some good times and there are many more to come. Let's go to MOUNTAIN LAKES! Ruh-Roh rooby rooby roo.

ROBERT (WEAKNESS 1): You and I have always agreed that there are not enough words to describe our friendship. You saved my best friend from the "WALL" and it got better and better. You've been like a brother to me and more, keeping me out of trouble and helping me through some rough times. I'm forever grateful! Thank you for "Our Times" may they live on forever! Always remember.- WEAKNESS 2.

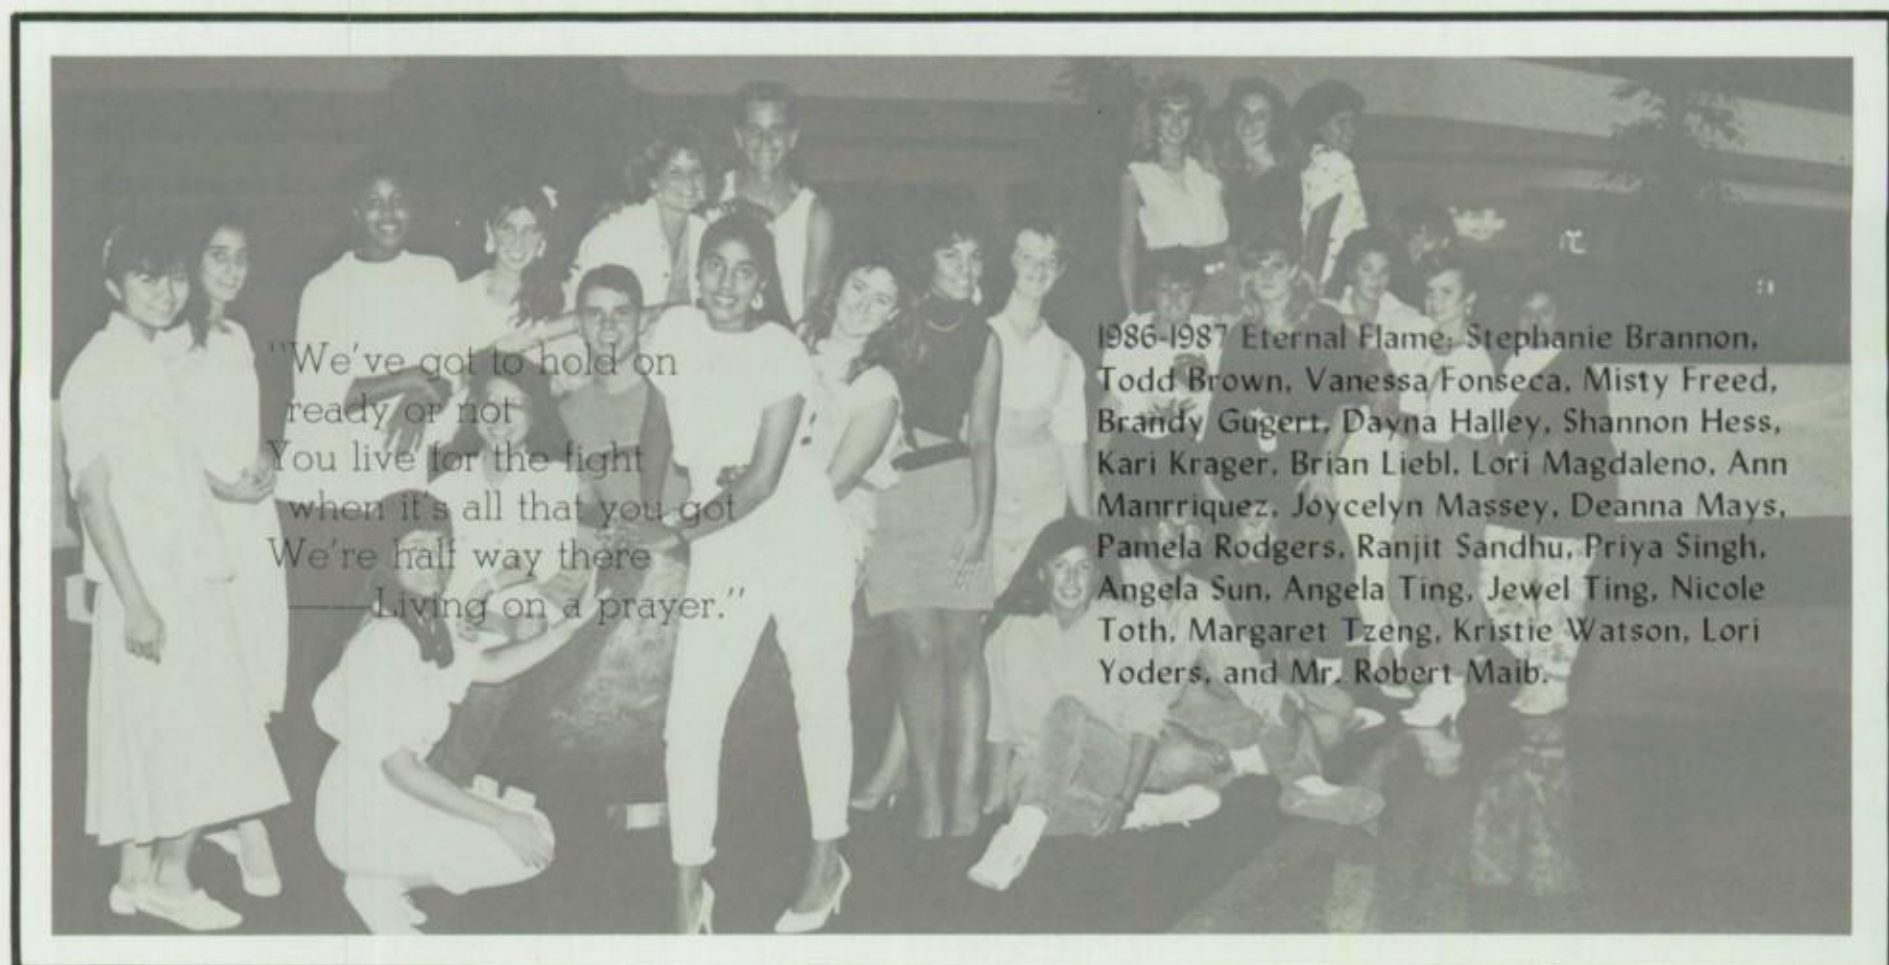

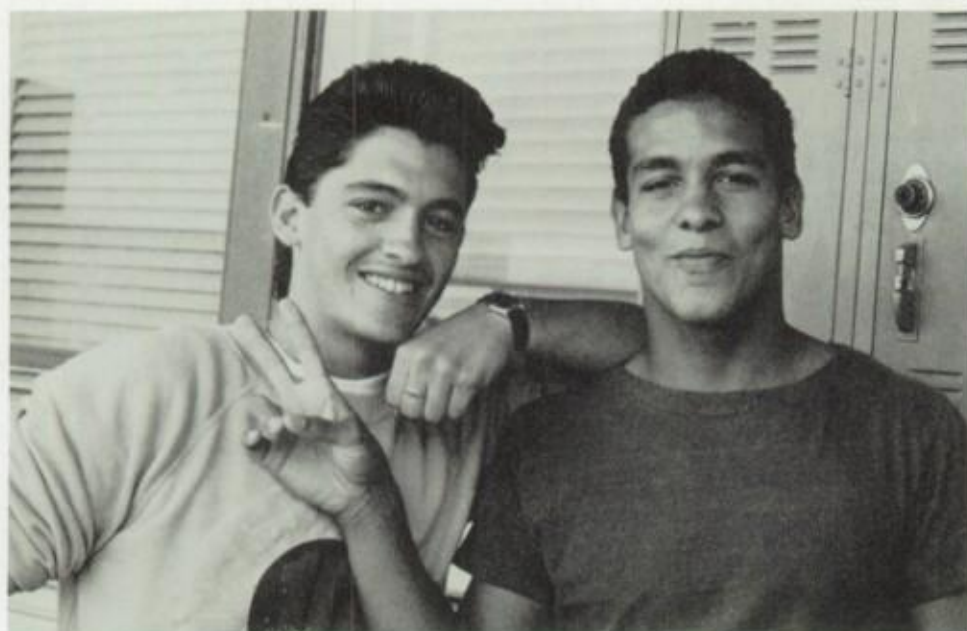

SPECIAL THANKS TO THE FOLLOWING, YOU ARE NOT FORGOTTEN! Misty Freed, Heather (Sexy Mama) McLeod, Phil Kjelland, Nicolle Backes, Steve (Bear) Rath, Chris Putman and the other moos, Lori Magdaleno.

Love, Luck, and Success to those graduating this year and entering the real world: Brandy, Misty, Pamela, Dave, Todd, Robert, John, Chris, Kim, Andy, Dawn, Danny, Millie, and the rest of the class of '87.

P.S. Don't forget the "little people" you left behind.

MOM, DAD, and JAY: You are my world and I love you til the end of time! Good luck Jason on your Freshman year. Mom and Dad ... "HAPPY ANNIVERSARY!"

I LOVE YOU ALL,
